

INDEX of Names – Somerset Triple Centennial, 1856-1956

- This is an index of names, not necessarily of people. Several people may share the same name, such as a father and son or grandson or cousin. Whenever known, an asterisk (*) will follow a name that is shared by multiple people.
 - Some individuals may be indexed under more than one name when initials or nicknames are used. Sometimes last names were spelled differently for the same person.
 - Women are listed under their married names when their maiden name is not known.
 - Page numbers in **bold** indicates there is a photograph of that person on that page.
 - m. = “married to”; Br. = Brother; Sr. preceding a name = Sister

Endnotes:

Carufel [Sicard de]

Agapit (m. Elise), 91

The above information from p. 91 is incorrect. The parents of Charles Carufel are Joseph Sicard de Carufel and Agathe/Agapit Duvernay—NOT Agapit and Elise.

On page 46 is a statement: “These last two were brothers of Charles Carufel [Fathers D. O. S. de Carufel and J. D. S. de Carufel], one of the pioneers.” Father D. O. S. de Carufel was a brother to Charles [David Ovide], but Father J. D. S. de Carufel was not.

Source: Gillis DeCarufel of Joliette, QC, Canada. His great-grandfather was Charles Carufel’s youngest brother, Joseph Isaie.

On page 68, under the C. J. Montpetit Family picture, “C. J. Montpetit, son of Jelas Montpetit and Marie Podvin...” It should be **Josephine Germain** instead of Marie Podvin. It is correct on page 69.

On page 82, under the picture of the Ernest J. Germain Family, is the statement that “Zephyrin Germain . . . married Josephine Morian . . .” Her name is **Morin** (according to the researches of Earl Belisle).
