

Library Takeout is a contactless holds pick-up service.

**Starting Monday October 5 we will be altering our
Curbside Service with a new Takeout Service**

WHAT WILL BE DIFFERENT?

- ◆ **Schedule pickups online** Takeout appointments can be scheduled online at somerse.library.org/library-takeout-service/ or by phone.
- ◆ **2 hour appointment windows** When you schedule an appointment you'll have a two hour window of time in which to pick up your holds
- ◆ **There's a new location** Please park at the Hud Street doors (former main entrance) and enter through the double doors. In the entry there will be a cart with all the holds for that appointment window. Locate your materials by identifying the bag with your alias. *Tip: Your alias is the first two letters of your last name, first two letters of your first name and your month and day of birth. For example, Martin Adams, birthdate 10/25 is ADMA1025*
- ◆ **Saturday pickups available** As a convenience to our library users we will offer Saturday pickup hours from 10 a.m.-12 p.m. beginning the week of October 5. Schedule a pickup at our website.

WHAT WILL BE THE SAME?

- ◆ **Request your materials at the MORE online catalog** Go to the [Library Catalog](#) or [call the library](#) to place a hold on the item(s) you would like to borrow.
- ◆ **Wait for your notification** After receiving a notice that your item(s) are ready for pick up, you can schedule a [Library Takeout appointment](#) online or by phone.

WHAT ELSE DO I NEED TO KNOW?

- ◆ **This is a no contact service** Please call us for an in-library appointment if you would like to browse for books, use a computer or to use the copy machine.
- ◆ **Library materials can be returned in a bin inside the entry** or at the main return at the Garfield Street entrance. Materials will be in quarantine for several days and no fines will accrue during quarantine. Due dates will be on a slip included with your bag.

**We appreciate your patience as we continue to phase
in our library services for the community!**
